Colgate	We certify that all Colgate Toothpastes (all oral care products) are gluten-free. Reference: https://www.colgate.com/en-us/products/optic-white/faq Customer Service Confirmation: 800-468-6502
Crest	No current Crest toothpaste contains gluten. Per customer service, the Oral Care Manufacturing plant utilized to make their products also do not process gluten products either. Reference: https://crest.com/en-us/oral-health/why-crest/faq/do-crest-toothpastes-contain-gluten Customer Service Confirmation: 800-492-7378
Tom's of Maine	All of the products we currently manufacture are gluten free. Reference: https://www.tomsofmaine.com/our-promise/stewardship-model/not-in-our-products

NOT GUARANTEED	
Aquafresh	Aquafresh toothpastes do not contain gluten as a direct ingredient. However, the presence of trace levels of gluten in these products for manufacturing processes cannot be excluded. Reference: https://www.aquafresh.com/faqs/
Sensodyne	We can confirm that Sensodyne® products do not contain gluten as a direct ingredient. However, we cannot exclude the presence of trace amounts of gluten in these products as a result of third party manufacturing process because GSK Consumer Healthcare does not test the final products for gluten.
